# INTRODUCTION

Dear Exhibitor

Welcome to the National Sweet Pea Society's ninth North West Region Show held at Chorley Flower Show. At our last show we had 21 exhibitors showing 118 entries which created a wonderful spectacle. The decorative classes proved very popular and were well received by the public. We also received a GOLD Award for our stand and information bureau which attracted a lot of visitors.

I was pleased to see a high proportion of Novice exhibitors who have now graduated and we would like to welcome a new batch this year. We have continued with the range of graded sections to encourage exhibits from members with different growing capacities. Juniors may enter if they have a relative who is a paid up member of the society. With your support we are hoping to increase the number of entries in 2026.

Chorley Flower Show is an exhibitor friendly show with good parking, lighting and staging facilities. Refreshment facilities are provided during staging and throughout the show for exhibitors and helpers.

The show has a true horticultural focus with a very high standard of trade and amateur exhibits. It is one of the top North West attractions and a must visit show.

Please join us and help to make it a fantastic spectacle. If you have any queries or feel that I can assist in any way please do not hesitate to contact me.

I hope to see you all at the show.

*Carole Tate*
